Dear Sir or Madam,

we refer to your inquiry about the suspension of our certificates according to DIN EN 9001:2015 and IATF 16949:2016.

We received a valid certificate on 16.04.2018 after a successful transition audit to IATF 16949:2016. The planned surveillance audit could not be carried out in the desired time due to a lack of auditors.

Our next audit will take place from 05.08.2019 to 08.08.2019.

After successful implementation, we will of course send you the current certificates unsolicited or make them available here on our homepage www.kc-wzb.de.

If you have any questions please do not hesitate to contact us.
